

## 2 Health, Safety & Environment Programs

### BACKGROUND

Health, Safety & Environment at the Okanagan Campus offers a variety of programs to the university community. On the HSE webpage, [hse.ok.ubc.ca/](https://hse.ok.ubc.ca/) there is information on the following programs:

Health	Safety	Environment
<ul style="list-style-type: none"> <li>• Indoor Environmental Quality</li> <li>• Scent Free Program</li> <li>• Infectious Disease Control</li> <li>• Pandemic Plan</li> <li>• Water Quality</li> <li>• Ergonomics Assessment</li> </ul>	<ul style="list-style-type: none"> <li>• Biological Safety</li> <li>• Chemical Safety</li> <li>• Dive Safety</li> <li>• Emergency Management</li> <li>• First Aid and Automatic External Defibrillator</li> <li>• Field Safety</li> <li>• General Safety Programs</li> <li>• Radio Isotope Safety</li> <li>• Fire Safety</li> <li>• Transportation of Dangerous Goods</li> </ul>	<ul style="list-style-type: none"> <li>• Spill Reporting</li> <li>• Hazardous Materials Management</li> <li>• Green Research</li> <li>• Contaminated Sites Procedures</li> <li>• National Pollutant Release Inventory (NPRI)</li> <li>• Sanitary Sewers</li> <li>• Battery Recycling</li> </ul>

### ADDITIONAL PROGRAMMING

If you notice an HSE need on campus that is not addressed by these programs, please contact HSE at [hse.ok@ubc.ca](mailto:hse.ok@ubc.ca) to discuss your ideas. Regularly check our webpage as we are consistently updating and adding to our programs to better serve the university community.
