Keep UBC Clean

PPE Etiquette

Gloves & lab coats protect your skin and clothing from contact with hazardous materials in the lab.

Wearing them outside the lab contaminates clean areas and puts everyone at risk

DO

- ✓ Wear lab coat & gloves
- ✓ Remove gloves before touching common items (doors, phones)
- ✓ Remove gloves before leaving
- ✓ Store personal items out of the lab
- ✓ Have "glove on" and "glove off" items

Do NOT

- ✗ Wear gloves in the hall
- ✗ Touch common items with gloves
- ✗ Contaminate doors & items used by others
